I do not wish to redeem any points this quarter. I would like to roll my points over to next quarter.

Reward Terms & Conditions:

- 1. For every dollar spent on Tressa product, 1 point is earned (excluding taxes and shipping).
- 2. Stylist can redeem points for anything in the Style Rewards Catalog.
- 3. If your Distributor does not track your Tressa purchases, you must attach copies of your invoices to prove how many points have been earned for points to be valid. Tressa will not honor any points without the corresponding dollar amount verified by your Distributor or by your invoices attached.
- 4. This Rewards Redemption Form is due within 30 days of the quarter end (see due dates above). Any delinquent forms will not be honored.
- 5. If a stylist chooses not to redeem any points for the quarter, their points will roll over to the next quarter. A Rewards Redemption Form must still be turned in (along with all invoices) by the Rewards Redemption Form due date.
- 6. Most Rewards will be shipped directly to the stylist within 2-3 weeks of the Rewards Redemption Form due date. Some items may take longer. All Rewards will be shipped via UPS.
- 7. If terms are not met Tressa reserves the right not to send out the stylist's Rewards.
- 8. As long as Tressa products are being purchased, points have no expiration date and can be accumulated for as long as the program is active. If purchasing is stopped and there are accumulated points, a stylist has 2 years from the last submitted Rewards Redemption Form to redeem those points.
- 9. Tressa reserves the right to alter or discontinue the Style Rewards Program at any time. If the program is discontinued, Rewards points will expire. No exceptions will be made.
- 10. Items listed in the Style Rewards Catalog are subject to change without notice. If a Reward item listed in the catalog is not available, a similar reward close to the same value will be substituted. Tressa reserves the right to determine the substitution.

I have read and understand the terms and conditions above. The point value I have placed on this form is correct to the best of my knowledge.
